

# They're Both **Heavy Duty**

***But, only one is built  
for the long haul.***

"**Heavy Duty**" is a term often used to describe counter mats. But not all "Heavy Duty" counter mats are built for the long haul.

Our **Heavy Duty SAC** counter mats are engineered using our **exclusive** Supported Adhesion Coating (SAC) creating the industry's **most durable** counter mat.

**Keep your image looking better, longer.**
